Attached Lid Containers solid steel Dolly (Model No. RU843HR1420) is compatible with Models 39085, 39120, 39170 for efficient parts transport. Also compatible with AR2115 and DL2115 series containers.

Industrial Attached Lid Containers

- Heavy-duty containers for industrial applications.
- Stack and nest design for maximum space usage.
- Injection-molded HDPE construction resists impact, moisture, and most chemicals.
- Tie holes in both ends to provide additional security.
- Containers interwork for easy pallet loading.
- Model AR15141300 is ideal for liquid distribution applications – it holds four, one-gallon jugs or nine 750 ml bottles.

Closed and open style handles available on some models

Reinforced sides and corners for added protection against breakage

Interlocking fingers on lid provide secure closure and add strength for secure stacking

Textured ID areas on lids and sides for easy application and removal of labels and barcodes

Totes, Bulk Containers & Pallets

Attached lid containers cube pallets and allow better space utilization of trailers and warehouses.

Attached Lid Containers Cont.

Dual-purpose attached lid opens out for full access to container when loading.

In flow racks or on shelving, the quarter-half lids open up and back for access through the top of the container.

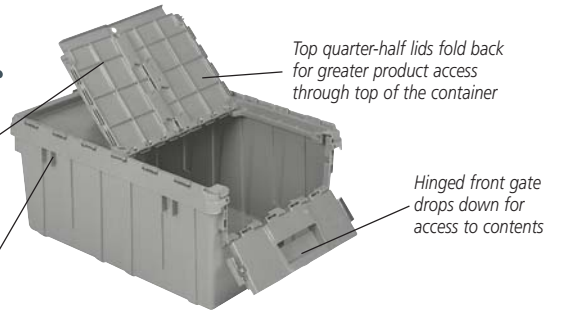

On the picking or assembly line, the hinged front gate drops down for complete, easy product access.

BinBox™ Container

- Bi-directional attached lid allows easy loading, secure shipping, and quick picking.
- Lid can be secured with ties for extra spillage/theft protection.

Reinforcing ribs on lid add strength for stacking

Nesting stops prevent container jamming

Bi-Fold Lid Containers

- Ideal for distribution of small orders – up to .78 cubic feet.
- Interwork with 21" x 15" attached lid containers.
- The attached-recessed lid flaps fold in half and lock against the side of the container for ease of conveying and nesting.
- Interlocking fingers on lid provides secure closure and stacking strength.

Textured areas allow for identification label placement and easy label removal

Detached Lid Containers

Handles

Several handle styles available

- Open for easy gripping.
- Closed for increased security.
- Ergonomic for comfortable lifting.
- Handle styles vary by model.

All stock items are marked with "✓"

- Lids are available in recessed style for secure stacking, strapping style for banding use, and high cube for additional storage space.
- Containers stack, nest, and interwork.
- Textured bottom standard on most models to prevent slippage on conveyors. Smooth bottoms also available.
- 24" x 20" containers cube 48" x 40" pallets, 4 per layer.
- Stocked in grey only.

Recessed lid creates a retaining wall to form secure stacks
